

# 37<sup>TH</sup> ANNUAL SFC SPRING RETREAT

## MEMORIAL WEEKEND

### MAY 24 - 29, 2012

### LA CASA DE MARIA

***Preparations for Retreat 2012 are underway ...*** The annual Spring retreat is a weekend that finds artists from all parts of California and beyond descending upon La Casa de Maria, a fabulous haven in beautiful Montecito. You will stay in motel-style rooms, wonderful meals are served in the cafeteria; the site has a pool, tennis courts, masseuse on site and plenty of beautiful land for walking/hiking. Everyone works together in the Scriptorium, a large conference room with plenty of light. You work (or not) on your own projects with no phones or urgent demands. Some people bring their laptops, some bring fun projects to share with others, we usually always have some activity going on that you can or cannot participate in. If there is something you would like to share with others please let Kristi Darwick know, and she will do some scheduling. The weekend is a perfect time for sharing and we hope you will want to but certainly no pressure. There are some activities around the surrounding area that are fun to go to. The annual chalk festival at the Santa Barbara Mission, shop in Santa Barbara and Montecito or visit area museums and those wonderful local art stores! Guests and spouses are welcome -- ***SFC membership is not required for this event.*** Artists of all types attend this event, giving all of us the opportunity to expand our horizons!
