A TWO DAY WORKSHOP with
Jane LaFazio

Saturday & Sunday, July 14-15, 2012

9:30 AM to 4:30 PM Cost: \$120

Location: MICHAEL PUNKE'S STUDIO
17155 Newhope Ave • Suite I • Fountain Valley, CA 92708

We're adding a special summertime workshop for those who would like to improve their sketching/journaling/watercolor techniques. Jane is a popular San Diego instructor, who is often featured at art retreats around the country, as well as internationally. We've asked Jane to include some drawing subjects to which we, as calligraphers, will particularly relate, such as our tools. Kristi will lead a lunchtime roundtable discussion about incorporating our calligraphy into our pages.

Want to learn to draw and paint what you see? Want to create an illustrated journal page of your day, your garden, your trip? Spend the weekend drawing and painting from flowers, feathers and fruit in a relaxed supportive environment. Jane will show you how to take the time to really look and draw what you see, not what you think you'll see. Then she'll demonstrate the use watercolors using a straight-forward, intuitive approach, how to mix color to capture that right shade. You'll create a set of 5x7" journal pages as unique as your own handwriting. Jane will show you how to enhance your drawings with creative page layouts and journaling.

This workshop is limited to 20 participants. Enrollment is limited to current paid Society for Calligraphy members only. Your membership must be current at time of sign-up as well as when class is held. No reservation will be held until your dues are current. If your membership lapses, you become ineligible and your space will be filled from the waiting list. Sign-ups are accepted in advance on a first come, first served basis. No refunds unless your place can be filled from a wait list. If you must cancel, please allow sufficient time for your place to be filled. For prompt receipt of supply list and confirmation, your check should arrive no later than two weeks before the workshop.
